

Announcements

Happy February! This is the month of friendship and family. The themes this month include: Emotions, Valentine's Day, Healthy Habits, and Dr. Seuss.

We will be having our Valentine's Day class party on Friday, February 14th. If you choose to send in cards or small gifts, we have 10 students (2 boys, 8 girls) in our class. For a complete class list, please refer to the Valentine's Day announcement sent home.

Here's a reminder to check Baltimore County Public School's website for weather related closings or delays. We always follow them on the first day of inclement weather. On the second day, be on the lookout for an email from Pine Grove to be aware of our opening status.
