Ms. Megan's Class

## Announcements

Happy New Year! I hope everyone had a wonderful holiday break. We are going to bring in 2025 by setting some new goals and focusing on knocking out our Kindergarten goals one by one for the remainder of the school year.

We are going to be having lots of snowy fun this month, so I'm hoping we get some real snow to play and explore in. This means on days we are open and there is snow on the ground (and the temperature is above 32 degrees), please send in snow attire for your child so they can participate in the best way to learn - by diving right in!

By the end of the month, we will have taken a trip to Winter Wonderland, Antarctica, and through outer space. All of this travelling has been paid in full with the help of our imaginations. 😊
